If for some reason you are unable to be there the Sunday you are scheduled, please contact another person on the list and switch with them. If they are unable to switch with you, then contact me at 859-457-0325 (Cell) or 859-255-1021 (work). Remember if you switch with someone, please call Carole at the church to let her know you have switched. Please call her **before** Wednesday of the week you are scheduled, because that is when she does the bulletin for Sunday
